

Accelerate to Industry™

FOUNDED BY THE NC STATE UNIVERSITY GRADUATE SCHOOL

INDUSTRY INSIGHTS

Industry Insights is a series of talks led by industry partners that enables participants to expand their networks, explore career paths related to their graduate degrees, and prepare for a successful transition into industry. Not only will participants gain valuable insight from industry leaders but they will also get to network and connect with other graduate students and postdocs within the A2i community during this summer series.

JULY 9 *INSIGHTS FROM A CORPORATE RECRUITER*
